

Project Demo Planning

Date	5 July 2026
Team ID	
Project Name	AI Powered Debt Relief & Financial Recovery Platform
Maximum Marks	1 Mark
Team Leader	Kureti Sai Meghana
Team Size	5

Project Demo Planning:

A well-structured demo plan ensures that the team presents the project effectively, covering all key aspects in a clear and organized manner. This document outlines the plan for demonstrating the project, including the flow of the demo, key features to highlight, and responsibilities of each team member.

S. No	Demo Section	Description	Duration (mins)	Responsible Member
1	Project Introduction	Introduce the project, problem statement, objectives, and the need for the solution.	3	Kureti Sai Meghana (Team Lead)
2	System Architecture Overview	Explain the system architecture, tech stack, and overall workflow of the platform.	3	Kureti Sai Meghana
3	Core Features Demonstration	Live demo of key modules: registration/login, loan management, financial dashboard.	8	Rukhya Muskan Shaik, Rehan Shaik
4	AI Features Demonstration	Demonstrate AI modules: financial health calculation, DTI analysis, settlement prediction, negotiation strategy & letter generation.	10	Ananya Lakshmi Tanneru, Ch Nikhil Kumar
5	Results & Benefits	Show test results (86 passing tests), live deployment, and benefits of the AI-powered platform.	3	Kureti Sai Meghana
6	Conclusion & Future Scope	Summarize the project, future enhancements, and scalability plan.	3	Kureti Sai Meghana

Demo Flow Summary:

Step	Activity	Notes
1	Introduction & Problem Statement	Introduce the problem in debt management and the need for an AI-powered solution.
2	Solution Overview	Explain the solution, key features, and technologies used in the platform.
3	Live Feature Demonstration	Show the working system with real-time examples of all core and AI features.

Step	Activity	Notes
4	Q&A Session	Address queries from the evaluators and discuss the project in detail.
